"CYBER SECURITY અને CLOUD COMPUTING
આજની જરૂર, આવતીકાલનું ભવિષ્ય

+91 63563 75745 www.skilldishatechlab.com

CERTIFICATE COURSE IN IT INFRASTRUCTURE & SYSTEM ADMINISTRATION

Duration **6/8** Months

DIGITAL OFFICE PRODUCTIVITY & COLLABORATION TOOLS

(Word, Excel, PowerPoint, Email, Cloud & Team Collaboration)

PC HARDWARE, DIAGNOSTICS & SYSTEM MAINTENANCE

(Computer Components, Assembly, Troubleshooting, Preventive Maintenance & System Health)

COMPUTER NETWORKING FOUNDATIONS & CONNECTIVITY ESSENTIALS

(Networking Basics, LAN/WAN Concepts, Devices, IP Addressing & Connectivity)

CLIENT OPERATING SYSTEMS: WINDOWS 10 /11 ADMINISTRATION

(Installation, Configuration, User Management, Security & Troubleshooting)

ENTERPRISE WINDOWS SERVER ADMINISTRATION (SERVER 2019 / 2022)

(Active Directory, Users/Group, Domains, DNS, DHCP, Group Policy, File Services & Security)

ENTERPRISE LINUX SYSTEM ADMINISTRATION (REDHAT 8/9)

(System Installation, Users & Permissions, Services, Networking & Security)

PROFESSIONAL CYBER SECURITY PROGRAMS

CYBER SECURITY FOUNDATIONS & THREAT INTELLIGENCE

(Understand Cyber Threats, Attack Vectors, and Security Fundamentals)

DURATION **15** DAYS

NETWORK SECURITY, FIREWALLS & PERIMETER DEFENSE

(Secure enterprise networks against internal and external attacks)

DURATION **30** DAYS

LINUX SECURITY & OPEN-SOURCE SECURITY OPERATIONS

(Master Linux administration from a cyber security perspective)

DURATION **30** DAYS

WINDOWS & ACTIVE DIRECTORY SECURITY ENGINEERING

(Secure enterprise Windows domains and enterprise environments)

DURATION **30** DAYS

ETHICAL HACKING & PENETRATION TESTING ESSENTIALS

(Learn legal ethical hacking techniques using structured methodologies)

DURATION **2-3** MONTH

WEB APPLICATION SECURITY & OWASP TOP 10

(Identify, exploit, and remediate real-world web vulnerabilities)

DURATION **1-2** MONTH

VULNERABILITY ASSESSMENT & PENETRATION TESTING (VAPT)

(Assess risk, perform audits, and deliver professional security reports)

DURATION **1-2** MONTH

BUG BOUNTY HUNTING & RESPONSIBLE DISCLOSURE PRACTICES

(Find real-world vulnerabilities and report them ethically to organizations)

DURATION **1-2** MONTH

SECURITY OPERATIONS CENTER (SOC) & SIEM MONITORING

(Detect, analyse, and respond to live security incidents)

DURATION 1-2 MONTH

DIGITAL FORENSICS & INCIDENT RESPONSE (DFIR)

(Investigate cyber-attacks and handle security breaches professionally)

DURATION 1-2 MONTH

CLOUD SECURITY FUNDAMENTALS & ZERO-TRUST ARCHITECTURE

(Secure cloud, hybrid, and modern enterprise environments)

DURATION 1 MONTH

LINUX SHELL SCRIPTING FOR CYBER SECURITY & AUTOMATION

(Learn Linux shell scripting fundamentals to automate basic cyber security and system administration tasks.)

DURATION 1 MONTH

PROFESSIONAL CLOUD & VIRTUALIZATION PROGRAMS

DATA CENTRE ARCHITECTURE & DESIGN

(Understand modern data centre architecture, components, power, cooling, and high-availability design concepts.)

DURATION 30 DAYS

ENTERPRISE STORAGE FUNDAMENTALS

(Learn core storage technologies including SAN, NAS, DAS, redundancy, backup, and data protection basics.)

DURATION 30 DAYS

SERVER VIRTUALIZATION WITH MICROSOFT HYPER-V

(Deploy and manage virtual machines using Microsoft Hyper-V in enterprise server environments.)

DURATION 30 DAYS

ENTERPRISE Virtualization with VMware ESXi & vSphere

(Configure, manage, and optimize virtual infrastructure using VMware ESXi and vSphere technologies.)

DURATION 30 DAYS

AMAZON WEB SERVICES (AWS) CLOUD INFRASTRUCTURE FUNDAMENTALS

(Build and manage core AWS cloud services including compute, storage, networking, and security basics.)

DURATION 30 DAYS

MICROSOFT AZURE CLOUD INFRASTRUCTURE FUNDAMENTALS

(Identify, exploit, and remediate real-world web vulnerabilities)

DURATION 30 DAYS

MICROSOFT 365 FUNDAMENTALS: IDENTITY, EMAIL & COLLABORATION

(Administer cloud-based identity, email, and collaboration services using Microsoft 365.)

DURATION 10 DAYS

BASIC CLOUD AUTOMATION & OPERATIONS

(Automate routine cloud operations, monitoring, backups, and cost optimization using basic scripting and tools.)

DURATION 10 DAYS

SOFTWARE DEVELOPMENT AND PROGRAMING

WEBSITE DEVELOPMENT (FRONT END / BACK END / FULL STACK)

(Learn to design and develop complete websites—from user interface to database and deployment —using industry-relevant tools and live projects.)

PROGRAMMING (C, C++, JAVA, PYTHON)

(Build strong programming fundamentals, logic and problem-solving skills using the most in-demand languages for academics and IT careers.)

COLLEGE PROJECTS & INTERNSHIP

(Industry-guided mini and final year projects with practical implementation, documentation, internship certification and viva support.)

SCHOOL SYLLABUS

(Complete support for school computer syllabus, practicals and basic coding to build strong technical foundations from an early stage.)

SHAILESH PATEL

Certified, Experienced, Recognized

MEET YOUR TRAINER

Elite Certifications : Microsoft Certified Professional (MCP, MCSA, MCSE, MCTS, Hyper-V) and Microsoft Certified Trainer (MCT).

Thought Leadership: Featured speaker at leading platforms like THM Surat and OPAL India (Security Week).

Career Mentorship: Comprehensive guidance including Resume building, Interview Prep, and personalized placement roadmaps.

Media Presence: Recognized expert featured in **"Cyber Talk with Shailesh"** by Exotic Web Media.

Specialized Domains: Delivering industry-aligned training across IT Infrastructure, Cloud Computing, and Cyber Security.

A LEGACY OF EXCELLENCE

20+ YEARS of proven IT Industry Excellence

2500+ STUDENTS Upskilled in Cyber Security & Virtualization

200+ Seminars/ Webinars on Tech Pillars: Cyber, Cloud & Virtualization.

PROVEN EXPERTISE

High-Stakes Training: Extensive experience training the Indian Army, corporate sectors, and government workforces (GEB, Taluka Panchayat, etc.)

Public Sector Empowerment: Specialized programs for digital literacy and security for government clerks, teachers, and staff

Award-Winning Recognition: Professionally recognized and award-winning trainer with a legacy of success.

203, Atmos, B/s Sindhu Seva Samiti school, Anand Mahal Rd, Adajan, Surat, Gujarat 395009
